

Good morning, Mr./Ms. _____! I hope today finds you well. My name is G. Cordova. I am currently undergoing a full stack web development course through CNM Stemulus. The journey has been nothing short of amazing and I still have a long way to go! By the end of this course, I will be fully capable of developing a fully operational website with unlimited possibilities from beginning to end.

I would like to express my admiration for your facility and art structure through the use of both technology and creative art. I am contacting you today because I am interested in having the opportunity with your organization in particular, if at all possible in the future. I am in hopes that we can possibly get together for coffee to chat in the near future!

If you are interested; Please, feel free to reach me via email or directly by phone. My cell is 505-410-3543. I look forward to hearing back from you, Mr./Ms. _____. Thank you for your time!

Sincerely.

G. Cordova
